

FHEA 55TH ANNUAL MEETING & TRADE SHOW

OCTOBER 16-18, 2017 • DISNEY'S CORONADO SPRINGS RESORT

Booth Representative Registration

Each booth shall receive up to three (3) complimentary booth representative badges. Additional badges may be purchased on the FHEA website FHEA.org, for \$300 each (homepage, annual meeting section, click on the button "Register and Pay for Add'l Booth Reps"). Booth representative badges provide access to trade show floor only. Should any of your representatives wish to attend either the AHCA or FHEA sessions, please register them at AHCAseminar.com.

Shifts: Upon request, up to a maximum of three (3) additional badges will be prepared per booth, and will be available for pick-up at the registration desk, **only after the departing representative has turned his/her badge into the registration desk.** If departing representative fails to turn in badge before the replacement checks in to pick up badge, Exhibiting company will be invoiced \$300 after the show for each badge. (See page 2 of this pdf to register shift representatives.) FHEA has raised the additional booth rep price and instituted a stricter shift policy due to exhibiting companies registering excessive numbers of individuals as booth representatives. FHEA believes this practice has detracted from the trade show environment and has instituted this policy as a way to protect other Exhibitors.
