

THE WHISTLE

FLORIDA HEALTHCARE ENGINEERING ASSOCIATION

VOLUME XXI, NUMBER 1

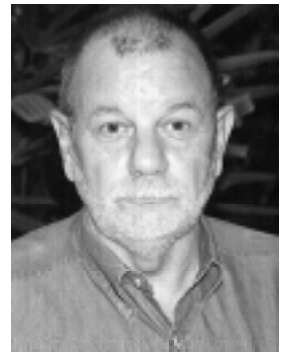

SUMMER 2005

Some rambling thoughts here in the “dog days” of summer which have been anything but slow.

...Our colleagues in the panhandle were hit again with Hurricane Dennis. Most have reported that they fared pretty well. Of course, last year’s storms had them well prepared. The Weather Channel even set up in the parking lot of Gulf Breeze Hospital and there was an interview with our own Michael Viola, Manager of Plant Operations.

...Our 21st Spring Educational Conference in Gainesville, May 13th, was a great success. We had good attendance and the educational presentations were excellent as well as timely, i.e., the superb panel

importance of facility’s managers, engineers, clinical engineering/ medical equipment managers, and professionals in the fields of healthcare design, construction and safety. “Engineering Better Healthcare” is this year’s theme.

Don Floyd, CHE

...Shelburn Wilkes, our executive director since 1989, has announced his intention to retire in January, 2007. Shelburn (and Rita, his wife) have served us so well over the years. More will be shared about them in the coming months. In the meantime, our Board is drawing up a plan with a timeline for the

well over the years. More will be shared about them in the coming months. In the meantime, our Board is drawing up a plan with a timeline for the

naming of a successor so that the transition will go smoothly. Skip Marsh, CHE will be heading up the taskforce. Additionally, the Wilkes have agreed to serve as consultants for a period of time and we want and do need them. Many of you know that Shelburn also serves as executive director of the American Hernia Society and he will retire from that professional society in September, 2006, after their international meeting in Boston (June 10-13, 2006).

...**Gold!!** Yes, FHEA was named a recipient of the Gold Award for Chapter Excellence by ASHE... again. Our appreciation must go to Jim Hutchinson, CHE, who put together all of the required data...not an easy task... as every past president can verify.

...Hope to see you at a District meeting...and, of course, at our Annual Meeting.

*Don Floyd, CHFM, CHE
President*

The President’s Corner

on hurricane preparedness headed by Raymond Walsh, CHE. The evaluations of the speakers were very high. Also, over 25 firms had table-top exhibits.

...Watch for the mailing of the program for our 43rd Annual Meeting and Trade Show, **October 31 – November 2, 2005**, at the Rosen Centre Hotel in Orlando. The Trade Show was sold out over a month ago, however, an additional hall was added, giving us room for approximately 190 booths. At press time, fewer than 10 booths remain to be sold. If you are one of our vendor friends, do act quickly if you desire a booth. Call our office in Orlando (407/898-1695). In this newsletter is a list of firms who have secured booths.

...Be sure to celebrate National Healthcare Facilities and Engineering Week, **October 23-29, 2005**. ASHE has a number of promotional items (posters, buttons, T-shirts, hats, etc) which can help demonstrate the

Welcome New Supporting Members

The following have joined our growing ranks since our last issue of "The Whistle."

■ Do act quickly in securing your accommodations for our 43rd Annual Meeting and Trade Show, October 31 - November 2, 2005, at the Rosen Centre Hotel in Orlando. For reservations, call 407/996-9840. You must mention AHCA/FHEA to receive our special convention rates.

■ It was good to hear from two of our Life Members recently: **Johnny B. Mallory**, CHE (Gainesville) and **Duane E. Leifur**, CHE (Pensacola).

■ Best wishes go to **Randy L.**

Lindauer, CHE, who has left Jacksonville to head up plant opera-

in two weeks. If you want to become a Supporting Member or if you need to renew, please do so immediately.

■ Plan ahead. Our 44th Annual Meeting and Trade Show will be October 28 - November 1, 2006, at the new Rosen's Shingle Creek Resort.

■ We are scheduling sponsorships for *The Whistle*. Call Shelburn Willkes (407/898-1695) for full details. Our appreciation to **Dan Chisholm** and MGI Systems, Inc. for sponsoring this summer issue.
