Membership Categories and Fees

$125 - Professional Active Member (PAM)

Professional Active Membership in the Society shall be available to those individuals who are actively employed in or by healthcare-related facilities (those that provide patient care), and who have responsibility in healthcare facility operations (e.g., facilities management, plant engineering, design/construction, security, safety, clinical engineering, and telecommunications). Professional Active Members may vote, hold office, serve on committees and participate in the Actions for Professional Excellence (APEx) recognition program.

$175 - Associate Member (ASC)

Associate Membership in the Society shall be available to those individuals or representatives that provide professional, technical and consulting services or sell products or services to Professional Active Members but whose employers are not healthcare providers (providing patient care). Qualifying members include planners, consultants, architects, interior designers, consulting engineers, manufacturers, vendors, sellers of contracted services, and federal, state, and local healthcare facilities inspectors. Associate Members may vote, serve on committees and participate in the Actions for Professional Excellence (APEx) recognition program, but may not hold office.

$25 - Educator/Student Member (STU/ED)

Educator/Student Membership in the Society shall be available to full-time educators teaching or (non-working) college students taking course work related to any discipline represented by the Society. Educator/Student members may serve on committees and participate in the Actions for Professional Excellence (APEx) recognition program, but may not vote or hold office.
